PROFESSIONAL EXPERIENCE

Elements Calgary Mental Health — Calgary, AB

Mental Health Recreation Practitioner — March 2021 – Present

- **Program Design & Therapeutic Facilitation:** Develop and facilitate structured group programs and recreational activities tailored for adults living with persistent mental health conditions, encouraging emotional expression, peer connection, and social reintegration.

- **Vocational Coaching & Skill Building:** Spearheaded the Elements Employment Program, providing personalized coaching, skill development, and job-readiness assistance that empowered 60+ clients to work toward meaningful employment goals.
- **Targeted Group Initiatives:** Designed and launched the 'U-35: Games Galore' day initiative, utilizing transformational and person-centered strategies to enhance social integration and peer support networks for 30+ high-needs clients.
- **Client Engagement & Needs Assessment:** Engage daily with 80+ clients in day program settings, assessing ongoing participant needs, tracking progress, and adapting group sessions to support individual wellness goals.

Calgary Alternative Support Services (CASS) Calgary, AB

Community Support Worker Nov 2016 – March 2021

- **Behavioral Support Implementation:** Supported the execution of individualized behavior support strategies grounded in Positive Behavior Support (PBS) frameworks, assisting clients in developing healthy coping mechanisms.
- **Independence & Autonomy Building:** Guided a caseload of 90+ clients with developmental and mental health challenges to build critical daily living skills, self-advocacy, emotional resilience, and community participation.
- **Distance Support & Telehealth:** Completed CTRI Remote Support Certification to deliver effective distance-based advocacy, telehealth care check-ins, and continuous virtual engagement for clients.
- **Crisis De-escalation:** Utilized ASIST and Non-Violent Crisis Intervention protocols to effectively de-escalate behavioral and emotional crises, ensuring a physically and psychologically safe environment.

REDI Enterprises Society Medicine Hat, AB

Community Support Worker April 2013 – June 2014

- **Resource Advocacy & Navigation:** Identified participant support needs and navigated community networks, resulting in a 50% increase in client access to supplemental community and health resources.
- **Caseload Support & Client Retention:** Maintained a 95% client retention rate across a diverse caseload through active listening, accurate documentation, and consistent, empathetic follow-up care.
- **Facility Operations & Daily Programming:** Supported daily operational workflows, client safety, and program activities within a community facility serving an average of 50+ visitors and residents daily.

CERTIFICATIONS & SPECIALIZED TRAINING

- **Crisis Intervention & Suicide Prevention:** Applied Suicide Intervention Skills Training (ASIST) | Non-Violent Crisis Intervention (CPI)
- **Digital Health & Distance Support:** Digital Health: Providing Support Remotely – Strategies for Helping from a Distance (CTRI)
